## PTA NEWS

### Thank you!

Thank you to all the volunteers who served as chaperones at last month's trip to Jupiter's. The students had a blast riding in the limo, eating pizza, and playing games!

Please keep saving your Box Tops for Education! There will be a couple of more classroom contests coming up in February and March before our next deadline. Please ask your relatives, friends, and neighbors to save Box Tops for your classroom.

### Reading Challenge Update

Please remember that we are trying to read 500,000 pages as a school community by the start of "Read Across America Week" at the beginning of March. So far, we have already read more than 50,000 pages, but we need to keep going to make our goal! **Please keep filling out your reading logs so that we can reach our goal of 500,000 pages!**

## **RBNC**

A special thank you to Professor J and the Really Big Numbers Club for hosting "A Starry Night" last month. Students and their accompanying adults were able to try some hands-on activities related to the solar system, as well as listen to a presentation in the STARLAB (the inflatable planetarium). It was pretty amazing! Keep an eye out for information regarding club meetings for 2<sup>nd</sup> grade students.
